December 2015 Press Release

CJA CPA firm hires new accounting professional

Cheryl Jefferson & Associates (CJA) with offices in Maryland and Washington, DC, has added a new accounting professional. **Elizabeth Wells** joined the firm in September 2015 as Accounting Clerk with 7 years of experience in accounting, focusing on financial analysis, financial audits and tax returns. In 2002, Elizabeth became a licensed CPA (currently inactive status) and also has a Bachelor of Science degree in Business and Accounting. Elizabeth will be a great addition to the CJA team by applying her past experience as a CPA to better serve CJA's small business client base. All the while, CJA's goal is to assist Elizabeth in refreshing her professional skills and to reactivate her CPA licensure through mentoring, peer learning, providing challenging work, and increasing role responsibilities. The small CPA firm provides accounting, auditing and advisory services for small businesses in service industries and government contractors.
